

## *REMARKS*

This Amendment amends Fig. 15 to provide a label to the evaporator efficiency curve shown therein. No new matter is involved. An inspection of Figs. 15A and 15B reveals that the both of those figures show evaporator efficiency curves, but the evaporator efficiency curve in Fig. 15A was not labeled as such.

Applicants are submitting this Amendment to make Fig. 15A complete and accurate by labeling the evaporator efficiency curve therein.

### *Conclusion*

Applicants therefore respectfully request that the Examiner enter the drawing amendment.

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone Robert J. Webster, Registration No. 46,472, at (703) 205-8000, in the Washington, D.C. area.

Entry of this Amendment is respectfully requested.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP

Attachment: Replacement Drawing Sheet  
Annotated Drawing Sheet

*Amendments to the Drawings*

The attached sheet of drawings includes changes to Fig. 15A. This sheet, which includes Figs. 15A and 15B, replaces the original sheet including those same Figures.

As originally filed, both Figs 15A and 15B show a number of parameters, including (1) maximum efficiency; (2) overall efficiency; (3) expander efficiency; and (4) evaporator efficiency.

Whereas the “evaporator efficiency” curve was labeled in Fig. 15B, the “evaporator efficiency” curve was not labeled in 15A.

The proposed drawing amendment labels the evaporator efficiency curve in Fig. 15A as such.
